President's Message

Dear Alpha Zeta sisters,

I hope that each of you have begun to dry out from the rain that has overcome us this fall and winter. I, for one, have been so happy to see a little sunshine and a break in the deluge we have had. I heard somewhere that we have had a record-breaking year for rainfall this year and it has been the highest amount in 140 years. I believe it!! Hopefully, the sun will shine on us for our April 6th meeting and Induction Ceremony beginning at 9:30 am and taking place at Siler Presbyterian Church. The Waxhaw group will be hosting and Sam will be preparing a wonderful brunch breakfast for us. Deb is sending out the email invite so be sure to respond as I know that this is a very busy Saturday for many of us.

Deb Christensen, Vice-President, will be leading the meeting and conducting the Induction Ceremony as I will be unable to attend due to a family gathering. I apologize to all as I take being a member very seriously and enjoy being with all of our Alpha Zeta sisters. It will be strange not being there as this will be the first chapter meeting, I will have missed since joining in 2012. But sometimes our other families must come first in our busy lives. Please make every effort to attend in order to welcome our prospective member, Pascale Glenn, as she joins our sisterhood.

Our program will be provided by Louise Napier and will focus on the Fine Arts. We are always excited to see what Louise has in store for us. We will also be taking up dues for the next year so please come prepared as well for that. Do not forget that one lucky person will be chosen at this meeting to have her dues paid. Yes, we will be drawing for the prize at this meeting. Please continue your searches for those women educators who may be interested in becoming a part of our organization and invite one to our October meeting. We need to continue the work of the "Each One, Reach One" campaign.

Convention is just around the corner and we have many nominations and chapter recognition paperwork that has been sent to Eta State. I look for good news on all fronts to come from those. We will be sure to honor all nominees at our October meeting as some of the nominations are not shared at this time. We will be sure to let all know the results of our efforts as soon as we find out. As far as I know, there will be five of us attending Convention this year. It is not too late to send in registration if anyone else would like to attend. It is always the more, the merrier, I say! So think about it.

Yours in Education and Sisterhood,

Janie

Make Plans to Come to Legislative Day in Raleigh

By: Susan Phipps, Chair, ELP Committee

Wednesday, April 10, is this year’s Eta State Legislative Day organized by your Educational Law and Policy Committee. All members are encouraged to consider making the trip to Raleigh to speak directly with your own Senator and House Representative. Making appointments beforehand will be imperative. We will gather that morning at 9:30 just inside the front door at 16 W. Jones Street in Raleigh for a few words of welcome, distribution of our 2019 White Pages of Legislative Priorities, and some pointers for the day. Then DKG members will fan out to have conversations with their elected representatives.

This is an especially important year to urge legislators to fully fund public education since we have a number of new lawmakers who won their seats by campaigning for strong public schools. NC has a strong economy now that the remnants of the great recession are gone. In NC, funding for schools has not yet reached the level it was prior to the 2008 recession, when adjusted for inflation. Additionally, we need to remember that NC is one of the fastest growing states, thus we are asking our schools to educate more students with less money. It is time to fully support our schools.

To find the name and contact information of any member of the legislature go to <http://www.ncleg.net>. Use the maps to pull up those who represent you. When you call for an appointment, try to make the appointment no earlier than 10:30 to allow time to meet in the front lobby with DKG sisters. [Click here for our White Paper of Legislative Priorities.](#)

See you in Raleigh!

Alpha Zeta Member News

Rachel Clarke—Rachel shared that Kensington Elementary was identified as a P21 Exemplar School. This means that Kensington was one of 18 schools recognized nationwide for its emphasis on 21st century skills and content: character education, global education, student leadership and accountability, and integration of technology.

UCPS Book Mobile—UCPS is going to have the Book Mobile on the road again this summer and needs book donations. Please bring new or used books to our meeting so they can be donated to this cause. Last summer the Book Mobile was a big success and many area students got to take books home to keep.

Important Additional April Alpha Zeta DKG Meeting Information

Remember to bring your water bottles filled with change for Schools for Africa. Check donations will also be accepted.

Please bring donations so Alpha Zeta can purchase gift cards for the schools that are still recovering from Hurricane Florence.

Dues for 2019-2020 need to be paid by June 15th. This change is coming from DKG. Lisa Stephens will accept post dated checks at the meeting on April 6th and hold onto them until dues needs to be sent in. The dues are \$76.00 for active members and \$45.00 for reserve members.

Timing of Dues Addressed

Ruth Jones, Eta State NC Treasurer, says there seems to be some questions about the new timing of dues collection and how inductions are affected. She shared this:

- Inductees in April and May pay dues for 2019-2020
- Inductees in April or May should be paying the full amount of dues along with the induction fee. These dues will be for the 2019-2020 year. This is the time when payment is being made by other members, and all dues will be sent to Eta State NC and International in July.

Training on the new electronic method of transmitting these dues will be provided at the state convention in Hickory. Chapter treasurers should take their laptops to the convention.

EEC in Action Tip of the Month: *It Takes More Than Luck*

By: Dr. Teresa Cowan, Eta State First VP, EEC Chair

March Madness is upon us! Strengthening membership like sports “takes more than luck.” In recognition of March Madness **EEC of Eta State NC** challenges you to **Empower, Engage and Create** to strengthen members through chapter programs. Chapters win when membership is strong.

- **Empower:** Host programs that aid in personal growth (financial planning, genealogical search, travel, etc.)
- **Engage:** Partner retired with non-retired members to develop a community tutor program
- **Create:** Develop a chapter cookbook to showcase member talents - maybe a potential fundraiser

Remember to check out <https://www.ncdkg.org/educational-excellence-committee.html> for more ideas.
