From the President's Corner

As we look around and see all the stores and homes begin to glisten with the Christmas spirit we can look forward to our auction that is coming up on December 6th. This is a time that we all look forward to in our chapter. It is so wonderful to see all of the smiling faces of our sisters and their festive attire. Let's try to surpass our previous years for the auction. The money goes for our scholarship fund which supports our young beginning teachers. Be ready to shop...shop...shop and have lots of fun.

At our October meeting it was suggested that our December meeting would be a good time to bring someone who might be potential consideration for membership. If you are planning on bringing a guest be sure to let Judy Cline know so they will be prepared to the number of people we will have in attendance.

I sincerely want to thank each sister for the encouragement and support given to me. You have been such an inspiration and it has truly been so humbling. It is because of your support and hard work that makes being the president of AZ such a success. I could not do this without the huge part each of you plays in our chapter.

May you all have a wonderful Thanksgiving filled with love, laughter and family.

I look forward to seeing each of you at our December meeting!

Educational Foundation Pledge Cards

As members of DKG we are leaders in education. The DKG Educational Foundation has been developed to support professional development, grants, scholarships and other charitable activities for women educators.

At our October meeting it was requested that I find out what other chapters in our region are doing with the pledge cards and how they are taking care of that information. I have found out that individuals in each chapter are taking the cards and making a personal pledge to support the foundation.

Making a pledge is a way of projecting the amount of money that will be available to be awarded. Our challenge is for AZ members to be generous in making a pledge to support this initiative. Bring your pledge card to our December meeting. There will be more pledge cards available if anyone needs and extra one.

You can go to the following website to read more information about the Educational Foundation: www.deltakappa.org/NC/educationalfoundation.htm

Bright Blessings

Remember to bring items to take to Bright Blessings. Many items can be purchased at the Dollar Store. Let's try to fill a basket at our December meeting to pass along to this organization. Children who are homeless need our support!

Name the Magazine—Win A Prize

You could win a prize if your suggestion is chosen as the title of a new magazine that will be published by International in the spring of 2015.

The Challenge of Leadership

“The challenge of leadership is to
be strong, but not rude;
be kind, but not weak;
be bold, but not bully;
be thoughtful, but not timid;
be proud, but not arrogant;
have humor, but without folly.”

-Jim Rohn
